President's Message

I hope you have all been able to get out and enjoy the nice weather we have been having this Spring. If you have been treasure hunting, I hope you are finding many great things! One of my favorite times of the year is Spring when the robins come back and build their nests in my trees. I like hearing them talk.

At our meeting this month we will be having Bourse Night. For those of you who do not know what this means, Bourse Night is when you bring anything that you would like to sell or trade. Bring extra money to buy items that are interesting to you. Usually, there are a lot of neat items to choose from.

We had some great ideas for the club medal this year. Thanks to those that participated. I think we have a great medal design to represent 2016. Congratulations Cliff Fausett for winning the medal design contest.

Next year when we have our chili cook-off we need to add a prize for the best rolls/breadsticks. There were some fantastic breadsticks to go along with our chili last month. Congratulations to Ken Webb for the first prize winning chili he brought. I really enjoyed tasting all of the delicious chili. Thank you to everyone who participated and helped out with this event.

For those who have not renewed their membership, be sure to do it because the next prize night might be right around the corner.

Bring all your finds for the last 30 days for Finds of the Month and with our prize selection we should have another great raffle this month.

On May 26th we will have a guest speaker who will talk about detecting in England. It should be fun and very interesting to see and hear about the things he has found there.

Thank you for your support.

Kevin Barnes

Ogden Coin Show

The coin show seemed to have a moderate turn out. There was plenty of space to see things and enjoy the show.

Each of the displays on exhibit were interesting to look at.
